

## **Coronavirus Vaccine Information**

**Please note: Our clinic will NOT be participating in the administering of the Coronavirus Vaccine.**

To check your ELIGIBILITY for the vaccine AND the LOCATION of where you can have it administered, please click the link below which will take you to the **Vaccine Eligibility Checker** portal:

[Coronavirus Eligibility Checker](#)

Once you click the link and access the portal, you will be asked a few questions to determine in which phase you will be able to access the vaccine.

If you qualify to book for the vaccine, immediately you will be informed at the end of the questionnaire and at the bottom of the page there should be a link to direct you to the clinic finder section so you can book with the closest/preferred clinic of your choosing.

Please answer all questions as truthfully as possible as when you do book and attend your booking, the clinic may turn you away due to not answering the questions truthfully.

**NOTE: If you think you may qualify due to an underlying medical condition, please confirm this first with your doctor.**

**IMPORTANT NOTE: The preferred minimum interval between a dose of seasonal influenza vaccine and a dose of BNT162b2 or ChAdOx1-S (COVID vaccine) is 14 days.**
